

JANUARY 12-16TH

MS. JULIE- SPORTS HISTORY/PE

HONORS ACADEMY OF LITERATURE

Common Core State Standards and National Physical Education Standards

- I can use digital tools to collaborate with my peers on writing projects.
- I can conduct short research projects that use several sources.
- I can gather information from multiple sources and assess credibility.

Objectives and Validation

Objectives:

- Scholars will be able to use digital tools to research the sport that they choose, using multiple sources. They will work in their cooperative groups to create a way to present their research findings.

In-class Assignments

Homework Assignments

- **No Homework**

Comments

- **This class is a combination of learning about sport history and influential sports figures and a Physical Education class.**

Mini-Lesson Topics

Cooperative group expectations.

Scholars will brainstorm a list of items that will need to be included in their sports research project.

Scholars will work in cooperative groups to research a sport, its origins, influential players and rules of the game.
